- 16.1.4 the salvaged value of the wreck, cargo, property or goods shall be deducted from any claim under this section.
- 16.1.5 there shall be no claim under this Clause if the Assured has divested itself of its interest in the wreck, cargo, property or goods other than by way of abandonment, before such removal, disposal, marking or lighting takes place.

- 55.1.2 notify the Insurer in writing forthwith of any legal or other proceedings brought against the Assured or in respect of the Insured Vessel(s).
- 55.1.3 provide to the Insurer or to any party nominated by the Insurer as soon as reasonably practicable all material, including documents, photographs or reports in the possession of the Assured or its agents, and any information known to the Assured or its agents, relating to any event which may give rise to a claim under this policy, and continue to keep the Insurer advised of all material developments in respect of such an event or claim.
- 55.1.4 notify the Insurer as soon as practicable of any opportunity to obtain information, relating to an event which may give rise to a claim under this policy, including but not limited to an opportunity to conduct medical examinations, surveys in respect of any cargo, vessel(s) or any other object.
- 55.1.5 give full co-operation to the Insurer in any investigation conducted by or on behalf of the Insurer into any event which may give rise to a claim under this policy.
- 55.1.6 not make any admission of liability, responsibility or blame to any third party in respect of any event which may give rise to a claim under this policy.

55.2 Unless the Insurer in its discretion decides otherwise, it is a condition precedent to the Assured's right to recover under the Policy in respect of any liabilities, costs or expenses that he shall first have discharged or paid the same out of funds belonging to him unconditionally and not by way of a loan or otherwise.

56. Claims Handling

The Insurer shall be entitled on such terms as they may require to assume control of the conduct of any claim, legal proceedings, arbitration or participation by the Assured in any inquiry or investigation, in respect of any event or matter which may give rise to a claim under this policy.

The Insurer may direct the Assured to take any step in connection with the conduct of such a claim, legal proceedings, arbitration, inquiry or investigation, including the conclusion of a settlement or compromise agreement.

In the event of a failure by the Assured to act as directed by the Insurer, any claim under this policy shall be limited to the amount of the claim which would have been recoverable had the Assured acted as directed by the Insurer.

57. Assistance in Handling Claims

The Insurer may, subject to the terms of this policy, appoint on behalf of the Assured any person to assist in or advise on the conduct of any investigation, claim or legal or other proceedings, in respect of any event that may give rise to a claim under this policy.

Any person so appointed, or appointed by the Assured with the Insurer's consent, will act for and on the instructions of the Assured as principal, but shall, without reference to the Assured, disclose all material, documents or information relating to such investigation, claim or legal or other proceedings to the Insurer, as if the Insurer were his principals.

58. The Provision of Security

The Insurer is under no obligation, but may, provided all sums due to the Insurer from the Assured are paid and otherwise on such terms as the Insurer shall agree, provide security in respect of any claim against the Assured by any party in respect of the risks referred to at Section A. The Insurer shall not provide security in respect of Clause 35, except by way of security provided to an opponent party for the costs of the Assured ordered to be provided by a Court or Tribunal, or pursuant to the terms of an agreement with such opponent party as the Insurer may agree in writing. The Assured shall indemnify the Insurer for the costs of, or liability incurred to any Third Party under the security so provided, save to the extent that such costs or liability are recoverable under this policy.

59. Recoveries and Subrogation

Where the Insurer has made a payment to or on behalf of the Assured in respect of a claim or for legal costs and expenses pursuant to Clause 35 under this policy, and the Assured, or any person on the Assured's behalf, obtains the recovery or reimbursement of any sum representing all or part of the liability, loss, cost or expense which was the subject of the claim or legal costs and expenses pursuant to Clause 35 so paid, such sum shall be applied in favour of the Insurer and the Assured in the proportions of their respective contributions to such payment.

The Insurer shall be subrogated to all rights which the Assured may have against any third party in respect of any payment made under the policy, to the extent of such payment, and the Assured shall, at the request on the Insurer, execute forthwith any document required by the Insurer for the purpose of the exercising of such rights.

60. Crew Contracts

Where any liability, costs or expenses are incurred under the terms of any contract of service or employment, or Collective Agreement with any member of the Crew, such liability, costs or expenses shall only be covered under this policy if those terms have the prior approval in writing of the Insurer.

61. Limitation of Liability

Cover under this policy for a liability incurred by the Assured or in respect of the Insured Vessel(s) shall be limited to such liability as may be established under the applicable law, or as may be agreed to in writing by the Insurer, and shall be limited in particular by reference to any legal provision under the applicable law providing for the limitation of liability in respect of the Insured Vessel(s) or the Assured.

Where cover is provided under Clause 37 of this policy to a time charterer, such cover shall be limited to such liability as would be established under the applicable law, if the time charterer were the registered owner of the chartered vessel, and shall be limited in particular by reference to any legal provision which would apply under the applicable law providing for the limitation of liability in respect of the chartered vessel, had the time charterer been its registered owner.

62. Duties of the Assured

- 62.1 The Assured must make a fair presentation of the risk (as set out in the Insurance Act 2015 or successor or amending legislation) in proposing for, or proposing to vary, this insurance.
- 62.2 Section 8 of the Insurance Act 2015 which sets out the remedies for breach of the duty of fair presentation does not apply to this policy. Any breach of the duty of fair presentation shall entitle the Insurer to avoid this policy, regardless of whether such breach is deliberate, reckless or otherwise.
- 62.3 Section 14 of the Insurance Act 2015 which abolishes the remedy of avoidance of this policy on the grounds that the duty of utmost good faith has not been observed does not apply to this policy. This policy shall be deemed to be a contract of utmost good faith, and any breach of that duty shall entitle the Insurer to avoid this policy.

63. Disputes and Governing Law

Save where Clause 35 applies:

- 63.1 The Assured hereby submits to the jurisdiction of the High Court of Justice of England in respect of any action brought by the Insurer to recover sums which the Insurer may consider to be due to it from the Assured. Without prejudice to the foregoing, the Insurer shall be entitled to commence and maintain in any jurisdiction any action to recover sums which the Insurer may consider to be due to it from the Assured.
- 63.2 Any other dispute or difference arising between the Insurer and the Assured under this policy shall in the first instance be referred to the Claims Committee for consideration and adjudication. Such reference shall be on written submissions only.
- 63.3 If the Assured does not accept the decision of the Claims Committee, such difference or dispute shall be referred to the arbitration in London of two arbitrators (one appointed by the Insurer and the other by the Assured) and an Umpire to be appointed by the Arbitrators, and the submission to arbitration and the proceedings therein shall be subject to the provisions of the Arbitration Act 1996, and any statutory modification or re-enactment thereof for the time being in force.
- 63.4 This policy shall be governed by and construed in accordance with English law.
- 63.5 Unless expressly stated to the contrary in this policy the Insurance Act 2015 and any applicable subordinate, amending or successor legislation or regulation in force from time to time applies to this policy. Where the Insurance Act 2015 is not applicable, the Marine Insurance Act 1906 shall govern this policy.
- 63.6 In addition to the provisions of Clause 62 above, the following provisions of the Insurance Act 2015 are excluded from this policy:
- 63.6.1 Section 10 of the Insurance Act 2015 which abolishes the discharge of the Insurer's liability under the policy where the Assured has breached a warranty does not apply to this policy. All warranties in this policy must strictly be complied with and if any of the Assured, Joint Assured or Co-Assured fails to comply with any warranty the Insurer shall be discharged from liability from the date of the breach, regardless of whether the breach is subsequently remedied.
- 63.6.2 Section 11 of the Insurance Act 2015 which abolishes the right of the Insurer to discharge its liability under the policy where the Assured has breached a term of this policy that is not relevant to the actual loss which occurred does not apply to this policy. All the terms of this policy (including any terms subsequently endorsed) and terms which tend to reduce the risk of loss of a particular kind, loss at a particular location and/or loss at a particular time, must be strictly complied with and if any of the Assured, Joint Assured or Co-Assured fails to comply with any such term, the Insurer's liability may be excluded, limited or discharged in accordance with this policy notwithstanding that the breach could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.
- 63.6.3 Section 13 of the Insurance Act 2015 which prohibits the Insurer from terminating a group insurance policy from the date of a fraudulent act committed by or on behalf of one Assured, Joint Assured or Co-Assured does not apply to this policy. The Insurer shall be entitled to exercise its right to terminate this policy in the event that a fraudulent claim is submitted.
- For the avoidance of doubt Section 12 of the Insurance Act 2015 which entitles the Insurer to deny any fraudulent claims, recover sums paid in respect of such fraudulent claims and treat this policy as having been terminated as a result of fraudulent claims made by any of the Assured, Joint Assured or Co-Assured does apply to this policy and remains in full force and effect.
- 63.6.4 Section 13A of the Insurance Act 2015 which implies a term in this policy that where the Assured makes a claim under this policy, the Insurer must pay any sums due in respect of that claim within a reasonable time does not apply to this policy. This policy shall not be subject to nor shall the Insurer be in breach of any implied term that it will pay any sums due in respect of any claim within a reasonable time save where the breach is deliberate or reckless.
- 63.7 The Insurance provided by the Insurer shall not nor is intended to confer any right or benefit on any third party under the Contracts (Rights of Third Parties) Act 1999 or any similar provision, enactment or principle of law contained in the laws of any State which purports to do so.

64. Policy Limit, Claims Payment and Recovery

Where the Combined Single Limit exceeds US\$ 100 million, the Insurer shall only be liable to pay any sum by which any claim or claims subject to the Combined Single Limit exceed US\$ 100 million, when the Insurer has received such sum from its Reinsurers, from time to time, or such sum can be paid pursuant to any agreement to effect simultaneous settlement between the Insurer and its Reinsurers.

78. Electronic Date Recognition

The cover provided under this policy shall not be prejudiced by reason of a loss being caused or contributed to by a Date Recognition Problem provided always that this insurance will not cover any loss, damage, liability, or expense which has resulted from a want of due diligence by the Assured, Owners or Managers in respect of a Date Recognition Problem.

This insurance shall not cover:

There shall be no entitlement under any circumstances for the Assured to recover under this policy that part of any liability, cost or expense which is not recovered or recoverable by the Insurer from any reinsurer because of a shortfall in recovery or non-recovery from such reinsurer by reason of any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of any country.

The terms 'shortfall' or 'non-recovery' include, but are not limited to, any failure or delay in payment to the Insurer by such reinsurer, and/or payment to an account other than an account of, or for the benefit of, the Insurer, in compliance with a requirement imposed by any recognised authority of competent jurisdiction to enforce any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of any country.
